

One-Click pay as you go vehicle management software

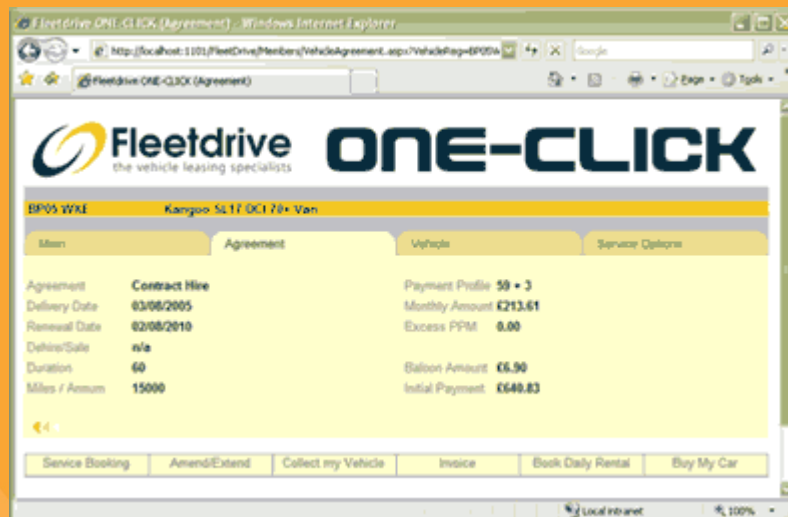

If you operate a number of vehicles from different contract hire companies or with a variety of finance methods how do you manage all the information?

- Paper Files?
- Spreadsheet?
- Drivers look after it?

Can you and your drivers access the information you need when you need it?

Fleetdrive's ONE-CLICK and ONE-CALL fleet management system may be the solution for you.

ONE-CLICK is Fleetdrive's unique pay as you go web based solution for fleet management designed to provide a simple way to record details of all your cars and vans as well as showing which suppliers are responsible for car finance, car maintenance, accident management, breakdowns and so on.

With Fleetdrive and **ONE-CLICK** you can operate multiple car contract hire companies and other maintenance or finance yet retain a single point of contact.

One Click can deal with all the following:

- **Contract hire cars from multiple suppliers**
- **Owned vehicles**
- **Finance lease and other products**
- **Fixed cost, pay as you go or your own maintenance.**
- **Opt out drivers vehicles records**
- **Even cars supplied by our competitors**
