

Pay as you go Maintenance

We manage your costs – you pay as you go.

Why use it

- If you want to simplify management of your vehicles
- You do not want to pay for fixed cost maintenance with contract hire.
- If you currently pay for servicing and vehicle repairs via expenses
- You feel you are not getting the best deal for your vehicle repairs
- You want to improve record keeping of maintenance for health and safety reasons
- You have opt out/allowance drivers using cars on your business.

In all the above cases our pay as you go maintenance anagement may be the solution.

The package has the following benefits for the business user:

- Up to 50% discounts on repairs
- Expert authorisation of repairs by our technical staff
- Simplified monthly billing
- Collection and delivery for driver convenience
- We maintain service history records for analysis / referral
- Can be applied to opt out/allowance drivers to maintain health and safety process

With a Fleetdrive Maintenance Management package your drivers are issued with a Fleetdrive One Call Card. Whenever maintenance is required including servicing, tyres or any mechanical repairs the driver simply calls our 24hour hotline and arranges for the car or van to be collected at a convenient time.

When the work is finished we pay for the work and recharge you for all work carried out on a monthly consolidated bill. (For opt out drivers we may need to take credit card payments) and he car is delivered back to the driver.

We keep all data relating to repairs on the vehicles so if you ever need to analyse it or need the records for health and safety purposes it is easily retrievable.

This service can be applied to:

- All cars and vans irrespective of age/mileage
- Owned vehicles
- Contract hire/Lease vehicles without maintenance package
- Opt Out/Allowance drivers who use their own vehicle for business

Cost: £4.95 per vehicle per month

Our fleet management experts are on hand to discuss your own particular requirements.
